Winter Training Series Completed

On April 9th, the third and final Winter Training Series was completed.

Rocky Mountain Show Jumping wishes to thank all of the competitors who attended the three series and helped contribute to their success.

Thankfully, the weather was nice for the third and final series so that we were able to utilize the outdoor warm up ring, as 175 horses competed at the final series. That number smashed the record number of entries set back in 2002 which was 151.

We owe special thanks again to Bobbie Reber and the ASJA who made the "what the judge is looking for clinic a huge success.

The results and photos have been posted to our website, and may be viewed by clicking on the link below....Look for the Series champions to be posted soon!

Bow Valley Classic May 17-21, 2006

Rocky Mountain Show Jumping is pleased to announce at this time that the Prize List, Schedule and Entry Form has for the Bow Valley Classic has been posted to our website. Over \$70,000 has been raised for the May tournament.

We would like to pay tribute to the following sponsors and families that have generously contributed to the sport by supporting the upcoming Bow Valley Classic.

Bow Valley Classic Golf and Ride

Attention all Sponsors, Moms, Dads, Owners!

Rocky Mountain Show Jumping is pleased to announce the first Golf and Ride to be held on Saturday May 20th during the Bow Valley Classic.

A shotgun start golf tournament will be held at neighboring Sirocco Golf Club. Following the tournament, golfers will then venture next-door to Anderson Ranch to join a luncheon that will be just getting underway.

Golfers will be partnered with a horse/rider combination, and that rider's score in the Grand Prix will contribute to golfer's score to determine an ultimate team winner. This "fun" idea is being added to further enhance the audience participation in the Grand Prix.

Spots in the tournament are going quickly, so if you have an interest in joining the tournament, please email us as soon as possible, and we will fill you in with the details.

Simply respond to this newsletter and ask for us to contact you!
