Halloween Classic Prize List

The management of Rocky Mountain Show Jumping is pleased at this time to announce that the Prize List for the upcoming Halloween Classic has been posted to our website.

The Halloween Classic is meant to be a fun and social gathering, aimed towards the local Alberta exhibitor. We have added some fun competitions for everyone to enjoy.

On jumper day, there will be a Costume Relay, where competitors will be required to perform a small skit dressed in costume, and then compete over a relay course against the clock. There will be two sets of ribbons. The first set will go to the teams with the clock being the deciding factor, while the second set will be awarded to the teams with the best costumes and skits based on the judges' scores and audience popularity. This event has been very popular at international events all over the world for Open Jumper competitors, and we felt that it would be nice to bring a bit of the fun to the locals.

For the hunters, we have added a team of three hunters competition, where again, skits will be performed by each team before their rounds and best costumes and skits will be rewarded. We will use longer than normal rails to help the pairs, and will adjust the heights accordingly to allow everyone the chance to compete.

During the team of three hunters on the Saturday, we would invite everyone to participate in a reception / dinner party, which will be held in the lounge of the farm. We invite you to bring your family and friends to cheer on the teams. There will be great food, and some fun activities to enjoy for everyone, including a pumpkin carving contest. On Sunday, we will feature a cocktail reception for eager fans to cheer on the relay teams, and help judge the skits performed by the competitors.

We invite you to bring your family and friends out to Anderson Ranch to enjoy some great show jumping and some good family fun.

Enjoy the Halloween Classic, & Good Luck to all Competitors!
