In regards to: BVC Grand Prix VIP Invitation

Dear Winter Training Series 2008 Participant,

The final Rocky Mountain Show Jumping Winter Training Series completed just two weekends ago, and our exhibitors focus is turning to the upcoming outdoor show season. Before our thoughts shift outdoors however, we felt it necessary to look back at the 2008 Winter Training Series:

- The Developing Riders Tour, launched in 2007 surpassed our expectations again, and certainly keeps telling us that there is a strong contingent of up and comers in our sport.
- The splitting of the Series into Hunter & Jumper weekends was very well received.
- Over 320 different riders attended at least one of the WTS.

We want to thank each and every one of you personally who attended any of the WTS in 2008. Without your support, we would not be able to host events like these to the standard that so many of you have become accustomed.

To thank you, we would like to invite you to join us in the VIP tent for the \$15,000.00 Cymric Brae Grand Prix on Saturday, May 17th. The VIP sponsors tent will be up again for two weeks in May. The BVC sponsors will be treated to a VIP luncheon and golf tournament during week two for the \$40,000 Oil-Patch Grand Prix, and we felt it would be a great idea to have YOU as a VIP during week one.

Our course designer for that week is Manuel Esparza Perez, from Mexico, and just prior to the Grand Prix, he will give the members of the tent a full course description explaining all of the intricate details involved in his plan to achieve the optimum competition. Upon conclusion of the course description, a few of the riders competing in the Grand Prix will give a brief course walk with some small groups of the riders who competed in the smaller divisions of the Winter Training Series. Our goal is for some of the knowledge of the more advanced riders in our sport to be shared with our up and comers.

To coordinate the logistics of the event, we need to have a head count for the late lunch/early dinner planned during the Grand Prix. To thank you for your participation in the Winter Training Series, we will be sending you a VIP tent pass when you reply to this letter. Your VIP tent pass will give you access to the tent and one complementary meal. To receive your invitation to the event, we ask that you RSVP by sending back the second page of this letter, so that we may forward your VIP pass to you as well as any additional ones that you require. Additional passes that include a meal are available for purchase for \$15.00. If you would like VIP tent passes but no meal, please indicate that on the form, and we will be glad to forward them to you at no charge.

We owe a special thanks to Dyan Leyshon Pettigrew and her family who has so generously agreed to sponsor this Grand Prix. We also owe a special thanks to **You**, who have given us the support and enabled us to host events like the Winter Training Series and the upcoming Bow Valley Classic.

Thanks again for all of your support of the Winter Training Series, and we hope to see you and your family at the Bow Valley Classics in May.

Sincerely Yours,

John & Tani Anderson

PS A little extra to all of the Developing Riders Tour participants. Due to the popularity of the tour to date, we thought we would give out a little bonus. For the first 2008 outdoor event of the tour, we have decided to offer double the points towards the overall program. Since we are moving outdoors, we know the degree of difficulty increases, and feel that your efforts should be rewarded. The double points tournament is the Bow Valley Classic I.
