Re: Anderson Ranch Expansion

Dear Competitor,

Welcome to Anderson Ranch and Thank You for joining us for the 2008 edition of the Bow Valley Classic.

2008 marks the 10<sup>th</sup> Anniversary of show jumping events here at Anderson Ranch, and although the events have been held under a few different banners, one thing remains the same, and that is Anderson Ranch's commitment to quality.

We are pleased to announce that we have commenced with a plan to expand Anderson Ranch significantly to meet the needs of the ever growing sport of Show Jumping. We will provide you the exhibitor a safe and comfortable venue with all the amenities to make your stay enjoyable while attending any of our tournaments.

The \$1,800,000.00 first phase expansion will provide the facility with covered stabling for 300 horses. We felt that stabling was the most important item needed to make Anderson Ranch a fully functional show venue.

Have a look over the west birm while you are on the grounds this week and you will see where the stabling will be located, and turn this page over to give you a "**very rough**" idea of Anderson Ranch in the not so distant future.

None of our expansion projects could be done without your continued support, and we ensure you that we are always available to answer your questions, and welcome your suggestions.

Enjoy yourself at the Bow Valley Classic, and Good Luck!

Yours truly,

Rocky Mountain Show Jumping
